- 20 hours simulator turbojet FNPT2
- Airline standard operating procedures
- Airline checklist based on Boeing B737

PRE-ENTRY REQUIREMENTS:

- CPL/IR(ME)

DURATION:

- 8 working days

COURSE FEES:

- € 2499,00 + VAT 21%.

€ 2499

All quoted hours and prices are based on the minimum requirement for license or rating issue. Prices may be subject to change at short notice.

FAQ'S

Is the course valid in any JAA country?

Yes, the course is valid in any JAA country. If performed as a stand alone (without a type rating), some countries such France will validate the course after an «evaluation commission». It is only to fulfill their national regulation and all the french pilots who performed the MCC, since 10 years, have received their licenses without any delays.

Who are the instructors ?

All our instructors are active airlines pilots flying jets in majors airlines.

Is the course in English?

Yes, indeed.

Do I need a valid CPL-IR(ME)?

Yes.

is it better to perform the MCC on a full flight simulator?

Absolutely not. The course is non technical and is already very heavy without implementing aircraft systems. There is often a confusion between preparing the airlines selections on a full flight simulator where just one or two hours suffices and the MCC course which is more suitable on a real simulator devoted for MCC training.

What kind of SOP's are in force ?

The B737 SOP's are use as much as possible without interfering with Boeing systems related.

Accommodation?

There are plenty of accommodation al around the academy. Belgocontrol is providing excellent accommodation for 200€.

When do we fly the simulator?

We always give course at social hours which is usually between 06:00 am until 22:00 pm

Is the VAT 21% always applicable?

Yes, if you are self sponsored. Only airlines with an «ET number» are VAT free.
